

Old-House Interiors
DESIGN CENTER
SOURCEBOOK

.....

AUDIENCE

Designers, old-house owners, and those planning to become stewards of old houses covet this special-edition product directory. With a yearlong shelf life, **Design Center Sourcebook** is the reference tool of the old-house restoration industry.

America's old house aficionados refer to its pages for guidance again and again. A listing in this book is an implied endorsement making it a great choice for promoting period-style furnishings, decor, building and restoration products.
