

## Leads–Get On Their "Short List"

Use these pages to quickly find and request free information on the products and/or services found in the pages of Log Home Living. You can ask companies to provide you with more information or link directly to their web site.

Visitors to LogHome.com are actively searching for information and resources to help them plan, build, restore, and decorate their primary or vacation log home. Last year, our audience viewed more than 8 million pages of content on LogHome.com, making it the most visited site on the Internet for log home information. LogHome.com is the premiere place for targeted, qualified log home enthusiasts than any other website.

Our audience needs your guidance and information to help them move forward with building their dream log home.

### What do I get?

- Short description

Generate leads by sending free information to our audience. Find out if they already own land, what is their time frame to build, what is their budget – we will ask for you and follow up directly with consumers that are planning and ready to build.

The screenshot shows the LogHome.com website interface. At the top, there is a navigation bar with the date "November December 2011" and search options: "Search by company:", "Search by category:", and "Search by R#:". Below this is a "LOG HOME PRODUCERS (913)" section. The main content is a table listing various log home companies with their logos, names, product descriptions, and a "Request Info from all" checkbox.
