

AUDIENCE

We offer custom-marketing programs that reach our entire Log & Timber Media Group audience—3 million strong. Please contact us to learn more.

ABOUT THIS AUDIENCE

These consumers choose a custom wood home because they are dedicated to a lifestyle that reflects their love of family, appreciation of fine craftsmanship and our American heritage.

They trust our brands to provide them with excellent content and access to the premium products and services they seek.

They shop our marketplace, read our publications, conduct product research on our websites, attend our events, and participate in our educational courses.
