Get listed in Old-House Online's Products & Services Directory

The Original Old-House Sourcebook (Online!)

The Old-House Online Products & Services Directory is the most authoritative and comprehensive guide to suppliers of products and services for old homes and old-house style. Old-house lovers seek authentic period products or modern products that are sensitive to traditional style.

More Than 75 Categories

The Products & Services Directory contains more than 75 categories of building products and materials providing one-stop shopping for restoration services and products.

More Than 2,000 Suppliers

More than 2,000 companies who make everything from stained glass and antique bath fixtures to hardwood floors and heating systems are listed, making this directory the leading resource online.

Homeowners, Architects, Remodelers and Builders All Love the Products & Services Directory

A one-stop reference guide that's not just for homeowners, the Products & Services Directory is a relied-on source for restoration professionals, architects, remodelers and builders all searching for the very best old-house products. Your listing in the Products & Services Directory lasts for one year, to ensure that people will find your company as they are actively searching for old-house products.
