

Sponsor one of our Webinars

Get your brand in front of an audience of old house enthusiasts.

The current schedule can be found at <http://oldhouseonline.com/webinars>

Get your audience in front of an audience of old house enthusiast. Either sponsor an upcoming webinar that we present, or create and do the presentation yourself. The old house audience is very excited about learning more from industry experts. These have been very popular for 2011, we expect them to continue to grow.

What does my sponsorship include?

- Logo included in all pre-webinar promotional emails
- Logo included in all follow-up emails to attendees
- Logo on webinar promotion page online
- Logo included on webinar presentation
- Verbal announcement at beginning of webinar
- Opportunity to be a part of Q&A session
- Final email to all registered names with your company contact information

Future webinar topics being scheduled now, please let us know if you have a topic and presentation you would like to co-present with us.

Free Webinar Sponsored by **GOODWIN**
Heart Pine Company

Choosing Period-Appropriate Flooring

with Mary Ellen Polson, Senior Editor of Old-House Interiors

Wednesday, Sept. 14 at 8 pm ET

Learn how to select wood flooring for residential restoration and additions in period houses with *Old-House Interiors*® Mary Ellen Polson. **Recording Available:** [Watch now](#)

Topics include:

- Types of wood** used historically and regionally
- Characteristics to look for** in new and salvaged wood flooring
- How to achieve smooth transitions** between new and existing flooring

See examples of attractive, period-inspired floors, from wide plank in historically used woods like Eastern white pine, to strip oak and maple flooring commonly found in houses of the Victorian era, to reclaimed, salvaged, and sustainably harvested woods. **Sponsored by Goodwin Heart Pine.**

Review the different characteristics of period flooring with this [free download](#).
