

## Leads–Get On Their “Short List”

Use these pages to quickly find and request free information on the products and/or services found in the pages of Timber Home Living. You can ask companies to provide you with more information or link directly to their web site.

Visitors to TimberHomeLiving.com are actively searching for information and resources to help them plan, build, restore, and decorate their primary or vacation log home. Last year, our audience viewed more than 4 million pages of content on TimberHomeLiving.com, making it the most visited site on the Internet for log home information. TimberHomeLiving.com is the premiere place for targeted, qualified timber home enthusiasts than any other website.

Generate leads by sending free information to our audience. Find out if they already own land, what is their time frame to build, what is their budget – we will ask for you and your follow up directly with consumers that are ready to build.

The screenshot shows the Timber Home Living website interface. At the top, there is a navigation bar with the date "November December 2011" and search options: "Search by company:", "Search by category:", and "Search by R#:". Below this is a "FREE COMPANY INFO" banner with a welcome message: "Welcome to the Log Home Living reader service Web site. Use these pages to quickly find and request free information on the products and/or services found in the pages of Log Home Living. You can ask companies to provide you with more information or link directly to their web site." Below the banner is a "LOG HOME PRODUCERS (913)" section with a table listing various log home companies.
